2022 EVENT CANCELLATION POLICY

This document serves to clarify whether and how 52 Super Series aims to credit / compensate entry fees paid for the 2022 events should they be cancelled due to COVID-19 or any other unforeseen circumstances.

The following guidelines will apply for 2022:

1. 80% of entry fees carried over towards future event entry fees if events are cancelled more than sixty days before their Race Day 1.
2. 40% percent carry over of entry fees towards future event entry fees if events are cancelled between thirty and sixty days before their Race Day 1.
3. No carry over/refund if an event is cancelled less than 30 days before its Race Day 1.
4. Special circumstances will be considered.

Thanks very much for your consideration and understanding of these special circumstances. We try to strike a balance between managing situations beyond our control and respecting the services the entry fee stands for.
